“The power of community is shown in teamwork by helping each other and keeping our world clean and recycling!”

“The power of community is shown as a superhero with courage and belief to me because when I think about it I picture of a superhero saving a person future by giving them information and knowledge.”
1st Place
Trang Pham
Elsik Ninth Grade Center
Alief ISD
9th Grade
Category 2

“We can do so much better with love and each other! The power of community is shown in the hands holding out a heart and the background with tree and flower. It signifies that we, as a community, can provide so many positive things to not only each other but also the environment.”

2nd Place
Isabella Tanksley
Lufkin Middle
Lufkin ISD
6th Grade
Category 2

“The power of community is learning to live in harmony.”
“In my public school, we show the power of community by helping each other and encouraging one another when times are hard for one of us.”

“In my public school, we show the power of community by accepting one another, learning our cultures & lifestyles and even taking part in their traditions. We also do now allow our voices or others to be silenced, we speak out for them.”
“The power of community is shown in communication.”
Thank you to all of our participants!
